Dear all

All-share merger of finnCap Group plc ("finnCap") and Cenkos Securities plc ("Cenkos")

We refer to the proposed all-share merger of finnCap and Cenkos, to be implemented by way of the acquisition of the entire issued and to be issued share capital of Cenkos by finnCap (the "**Merger**") substantially on the terms and subject to the conditions contained in the draft press announcement (the "**Press Announcement**") attached to this undertaking (which may be amended as agreed between finnCap's advisers and Cenkos's advisers and as may be required to comply with the City Code on Takeovers and Mergers (the "**Takeover Code**") and/or the requirements of the Disclosure Guidance and Transparency Rules of the Financial Conduct Authority, the AIM Rules for Companies or the rules and regulations of London Stock Exchange plc).

For the purposes of this undertaking, the "**Merger**" shall:

- (a) mean the proposed direct or indirect acquisition by or on behalf of finnCap with the recommendation of the board of Cenkos of the issued and to be issued ordinary share capital of Cenkos not already owned or agreed to be acquired by finnCap, whether implemented by way of a scheme of arrangement pursuant to Part 26 of the Companies Act 2006 ("**Companies Act**") (referred to in this undertaking as a "**Scheme**") or contractual takeover offer (within the meaning of section 974 of the Companies Act) (a "**Takeover Offer**"); and
- (b) include any revised offer proposal to that in paragraph (a) above which may be made by or on behalf of finnCap from time to time.

Irrevocable undertakings

1. In consideration of finnCap's continued preparation of the Merger, we hereby irrevocably and unconditionally undertake, warrant and represent to you in the following terms:
 - 1.1 We are the beneficial owner of (or are otherwise able to control the exercise of all rights attaching to, including the ability to procure the transfer of) the ordinary shares of one penny each in the capital of Cenkos as specified in Schedule 1 and all securities which may be allotted in respect of, or which are attributable to or derived from, such shares (together called the "**Shares**"), free from any charge, option, lien, equity, restriction or encumbrance whatsoever and with the right to all dividends and distributions (if any) declared, made or paid after the date of the Press Announcement. Save as disclosed in Schedule 1, there are no other Shares or other Cenkos securities in which we are interested.
 - 1.2 In the case of any Shares set out in Part II of Schedule 1 of which we are or become the beneficial owner (but not the registered holder) and all other securities which may be allotted in respect of, or which are attributable to or derived from such Shares, we undertake to procure that the registered holder(s) will comply with the terms of this undertaking as if it were also party to it.
 - 1.3 We have the full power and authority and the right (free from any legal or other restrictions), and neither we nor the registered holder of any Shares (where applicable) will take any action which would cause us to cease having all relevant power and authority and the right, to enter into and perform the obligations in this undertaking in accordance with their terms. finnCap will acquire the Shares from us with full title guarantee, free from any charge, option, lien, equity, restriction or encumbrance whatsoever and with all rights now or hereafter attached or accruing to them, including voting rights and, save in respect of any payment of dividends as set out in the Press Announcement, the right to all dividends and distributions (if any) declared, made or paid after the date of the Press Announcement.
 - 1.4 If the Merger is structured or restructured as a Scheme:
 - 1.4.1 we shall or, where applicable, will procure that the registered holder of the Shares will, in person or by proxy, cast all votes (whether on a show of hands or a poll) in relation to the Shares at any relevant court-convened, class or general meetings of Cenkos shareholders (including any adjournment thereof):
 - (a) in favour of the resolutions to approve and implement the Scheme together with any other resolutions to approve any related matters set out in the Scheme Document (as defined in paragraph 1.4.2) in each case whether or not amended (the "**Resolutions**");

- (b) unless finnCap directs otherwise, against any resolution (whether or not amended) or any proposal to adjourn any such meeting or which (if passed) are reasonably likely to result in any condition of the Merger not being fulfilled or which are reasonably likely to delay, impeded or frustrate the Merger in any way;
- (c) at the written request of finnCap, to join in requisitioning the convening of any relevant class or general meetings of Cenkos shareholders (including any adjournment thereof) for the purpose of passing any resolution referred to in paragraph 1.4.1(a) or rejecting any resolution referred to in paragraph 1.4.1(b);

1.4.2 we shall, after the posting of the circular to be sent to shareholders of Cenkos containing an explanatory statement in respect of the Scheme (the "**Scheme Document**") (and without prejudice to our right to attend and vote in person at any meeting), return or procure the return of the signed forms of proxy enclosed with the Scheme Document (completed and signed and appointing the chair to vote in favour of the Resolutions) in accordance with the instructions printed on such forms of proxy, as soon as possible and in any event within seven days after the posting of the Scheme Document, or in respect of any Shares subsequently issued to us, within five days of such issue, and agree not to revoke or withdraw the forms of proxy once they have been submitted in accordance with this paragraph 1.4.2; and

1.4.3 without prejudice to paragraph 1.4.2, for the purpose of voting on any other resolution referred to in paragraphs 1.4.1(a), 1.4.1(b) or 1.4.1(c), we shall as soon as reasonably practicable after any written request by finnCap (and without prejudice to our right to attend and vote in person at any meeting), return or procure the return of any forms of proxy (completed and signed and appointing the chair as proxy to vote as required pursuant to this paragraph 1.4) in accordance with the instructions printed on such forms of proxy, or in respect of any Shares subsequently issued to us, within five days of such issue, and agree not to revoke or withdraw the forms of proxy once they have been submitted in accordance with this paragraph 1.4.3.

1.5 If the Merger is structured or restructured as a contractual takeover offer (within the meaning of section 974 of the Companies Act), we will no later than the seventh business day after the despatch of the document containing the terms and conditions of the Merger (the "**Offer Document**") validly accept or procure the valid acceptance of the Merger in respect of all of the Shares in accordance with the procedure for acceptance set out or referred to in the Offer Document (or, in the case of Shares issued after such time, within five days of their issue).

1.6 Before this undertaking lapses in accordance with paragraph 6, we will not and will procure that no other person shall:

- 1.6.1** sell, transfer, charge, encumber, grant any option over or otherwise dispose of all or any of the Shares (other than to finnCap) or any interest therein or enter into any agreement or arrangement which might restrict a disposal to finnCap; nor
- 1.6.2** accept any other offer in respect of all or any of the Shares, whether conditionally or unconditionally (by whatever means the same is to be implemented); nor
- 1.6.3** withdraw any form of proxy referred to in paragraph 1.4 or any acceptance referred to in paragraph 1.5 in respect of all or any of the Shares notwithstanding that we may have become entitled to withdraw it by virtue of the Takeover Code (or any provision in the Offer Document to that effect); nor
- 1.6.4** acquire any further interests in or otherwise deal in any securities of Cenkos or finnCap or any interest therein (including any derivatives referenced to such securities); nor
- 1.6.5** at any time after the announcement of the Merger, exercise the voting rights attaching to the Shares in any manner which might reasonably be expected to impede or frustrate the Merger or prevent a condition to the Merger from being satisfied in a material way (which shall include any resolution to approve an alternative scheme of arrangement, merger or acquisition of any shares in Cenkos by a third party) or which would otherwise impact adversely on the success of the Merger; nor
- 1.6.6** enter into any agreement or arrangement or permit any agreement or arrangement to be entered into or incur any obligation or permit any obligation to arise, whether conditional or unconditional, to do any act referred to in this paragraph 1.6.

1.7 Without prejudice to paragraph 1.6, we shall:

- 1.7.1** exercise (or procure the exercise of) the voting rights attached to the Shares at any class or general meeting of members of Cenkos convened after announcement of the Merger as finnCap may direct in respect of any resolution (whether or not amended) the passing of which assists the implementation of the Merger; and
- 1.7.2** exercise (or procure the exercise of) the voting rights attached to the Shares against any resolution which (i) would reasonably be expected to prevent or delay implementation of the Scheme; or (ii) purports to approve or give effect to (and we will agree not to be bound by) a proposal by a person other than finnCap, to acquire (or have issued to it) Cenkos Shares (whether by way of an offer or a scheme of arrangement or otherwise) or any assets of Cenkos.

- 1.8 We have been given an adequate opportunity to consider whether or not to execute this undertaking and to obtain independent legal advice.
2. We consent to the issue of the Press Announcement in the terms attached or amended as specified above. We understand that, in accordance with the Takeover Code, particulars of this undertaking will be contained in the Offer Document or Scheme Document (as appropriate) and also that a copy of this undertaking will be available for inspection during the period in which the offer is open for acceptance (or, in the case of a Scheme, until its effective date). We will supply promptly all information, including details of our interests and dealings in securities of finnCap and Cenkos and those of any connected persons, as may be required for the Offer Document or Scheme Document (as appropriate), and will promptly notify you of any changes in such information. We undertake that we shall maintain appropriate secrecy about the possibility and details (including the terms and conditions) of the Merger and the existence and terms of this undertaking prior to the announcement of the Merger.
3. Without prejudice to paragraph 1 above, we agree that if we become aware that we will not be able to comply with the terms of this undertaking, or we no longer intend to do so, that we shall, in accordance with Rule 2.10(c) of the Takeover Code, either:
- 3.1 promptly announce an update of the position together with all relevant details; or
- 3.2 promptly notify finnCap, Cenkos and the Panel on Takeovers and Mergers (the "Panel") of the up-to-date position.

Cenkos board recommendation

4. finnCap reserves the right not to release the Press Announcement unless the board of directors of Cenkos agrees to recommend the Merger.

No obligation to proceed with the Merger

5. We acknowledge that the release of the Press Announcement is at finnCap's absolute discretion and that finnCap shall not be required to announce or (subject to the stipulations of the Panel) proceed with the Merger.

Lapse of undertaking

6. This undertaking shall lapse and we shall cease to be bound by the obligations in this undertaking if:
- 6.1 finnCap announces, with the consent of the Panel, that it does not intend to proceed with the Merger and no new, revised or replacement offer is announced by finnCap in accordance with Rule 2.7 of the Takeover Code at the same time; or
- 6.2 the Press Announcement is not released within 30 days post the irrevocable undertaking (or such later time and date as finnCap and Cenkos may agree); or

6.3 the Scheme Document or Offer Document (as applicable) is not published within 28 days of the date of issue of the Press Announcement or such later time as may be agreed by the Panel. If finnCap elects in the Press Announcement to implement the Merger by way of a Scheme and subsequently elects to implement the Merger by way of a Takeover Offer this paragraph 6.3 shall automatically be extended so that termination will occur if an Offer Document is not posted within 28 days of the date of the press announcement advising that the Merger is to be structured as a Takeover Offer as opposed to a Scheme or such later time as may be agreed by the Panel; or

S&S
31 December
6.4 if the Merger is structured as a Scheme, the Scheme has not become effective by 5 p.m. on 31 December 2023 (or such later time and date as finnCap and Cenkos may agree with the approval of the Court and/or the Panel if required); or

6.5 any competing offer for the entire issued and to be issued share capital of Cenkos is declared unconditional or any competing scheme of arrangement in respect of Cenkos becomes effective in accordance with its terms; or

6.6 the Merger lapses or is withdrawn and no new, revised or replacement offer or scheme has then been announced in its place in accordance with Rule 2.7 of the Takeover Code, or is announced by finnCap in accordance with Rule 2.7 of the Takeover Code within five business days.

Power of attorney

7. In order to secure the performance of our obligations under this undertaking, we hereby irrevocably appoint finnCap (with power to delegate the performance of its powers and rights under this appointment (other than this power of delegation) to any director for the time being of finnCap) to be our attorney in our name and on our behalf to execute and deliver any form or forms of acceptance or form or forms of proxy and/or such other documents, and to do such other acts and things as may be necessary for, or incidental to, the acceptance (or the procurement of the acceptance of) the Merger in respect of the Shares, the transfer of the Shares to finnCap pursuant to the Merger and/or the performance of our obligations under this undertaking and we declare that this power of attorney shall be irrevocable in accordance with section 4 of the Powers of Attorney Act 1971 provided however that such appointment shall not take effect until the expiry of seven days from the date of despatch of the Offer Document or Scheme Document (as appropriate) and only then if we shall have failed to comply with our obligations in this undertaking.

RECOMMENDED ALL-SHARE MERGER

CENKOS SECURITIES PLC

and

FINNCAP GROUP PLC

**to be implemented by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

Summary

- The boards of finnCap Group plc ("**finnCap**") and Cenkos Securities plc ("**Cenkos**") are pleased to announce that they have reached agreement on the terms and conditions of a recommended all-share merger of finnCap and Cenkos (the "**Merger**") to create a market-leading full-service advisory firm for growth and investment companies (the "**Combined Group**").
- The Combined Group has (on a proforma combined basis) more than 210 retained listed or quoted clients and employs more than 230 colleagues with ambitions to build on strong foundations across equity capital markets, M&A advisory, debt advisory, and private growth capital fundraising.
- The Combined Group has in excess of £50 million of proforma combined revenues and in excess of £20 million combined cash on its balance sheet.
- There are potentially significant cost synergies from common systems, processes, regulatory overlap and infrastructure, as well as clear future revenue potential through

broader client reach and collaboration across equity and private capital market disciplines for the Combined Group.

- The Combined Group will be led by the existing CEOs of Cenkos and finnCap as co-CEOs. Lisa Gordon will become Chair of the Combined Group Board which will comprise equal numbers of finnCap and Cenkos Directors.
- Under the terms of the Merger, Cenkos Shareholders and finnCap Shareholders will each hold approximately 50% of the entire issued ordinary share capital of finnCap.
- The Merger is to be implemented by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act.

Comments on the Merger

Lisa Gordon, Chair of Cenkos and intended Chair of the Combined Group Board, said: “This proactive and mutually-beneficial merger creates a champion for growth and investment companies, both UK-quoted and private entrepreneurial businesses, that are the backbone of our economy. The two firms’ cultures are very similar, and our client lists and capabilities are complementary. This is good for our clients, our employees, our investors and the UK capital markets as a whole.”

Robert Lister, Chair of finnCap and intended senior independent non-executive director of the Combined Group Board, said: “It has been a pleasure to serve as Chair of finnCap over the last two years. I have been impressed by the collective spirit, dynamism and, in sometimes challenging times, the resilience of our people. Whilst I strongly believe in the prospects of finnCap, I am excited by the potential of the Combined Group and I look forward to working with Lisa and the Combined Group Board and seeing our combined business prosper.”

Julian Morse, CEO of Cenkos and intended co-CEO of the Combined Group, said: “This merger is a true meeting of minds: the combination of two firms with a shared client-centric culture, which presents the opportunity to create a premium full-service advisory house supporting growth and investment companies and grow our combined business and its revenues.”

John Farrugia, co-CEO of finnCap and intended co-CEO of the Combined Group, said: “In Cenkos we have found a partner who shares the same vision, desire and drive to create one of the leading financial services advisory firms focused on the mid-market. With our collective strength in capital markets, M&A, debt advisory and private growth, we believe that we are able to provide an unrivalled level of service to all our current and prospective clients.”

Further information regarding the Interim Dividend will be notified in due course. Cenkos Shareholders should be aware that Cenkos reserves the right to bring forward the declaration, vary or even cancel the Interim Dividend at any time prior to its payment.

Recommendations

- The Cenkos Directors, who have been so advised by SPARK Advisory Partners as to the financial terms of the Merger, consider the terms of the Merger to be fair and reasonable and in the best interests of the Cenkos Shareholders taken as a whole. Accordingly, the Cenkos Directors recommend unanimously that Cenkos Shareholders vote or procure votes to approve the Scheme at the Court Meeting and to vote or procure votes in favour of the Resolutions to be proposed at the General Meeting, as they have irrevocably undertaken to do (or procure to be done) in respect of their own legal and beneficial holdings of Cenkos Shares, being, in aggregate, 1,587,653 Cenkos Shares representing approximately 2.80 per cent. of the issued share capital of Cenkos as at the Latest Practicable Date.
- In providing their advice to the Cenkos Directors, SPARK Advisory Partners has taken into account the commercial assessments of the Cenkos Directors. SPARK Advisory Partners is providing independent financial advice to the Cenkos Directors for the purposes of Rule 3 of the Takeover Code.
- In order to allot and issue the New finnCap Shares, finnCap will be required to seek the approval of the finnCap Shareholders of the required authorities at the finnCap General Meeting. The Merger is accordingly conditional on the approval of the finnCap Shareholders of the issuance of the New finnCap Shares at the finnCap General Meeting. The finnCap Directors consider the Merger to be in the best interests of finnCap and the finnCap Shareholders as a whole and intend unanimously to recommend that finnCap Shareholders vote in favour of the finnCap Resolution to be proposed at the finnCap General Meeting, as they have irrevocably undertaken to do (or procure to be done) in respect of their own legal and beneficial holdings of 10,168,726 finnCap Shares (and those of their close family members) representing, in aggregate, approximately 5.62 per cent. of the issued share capital of finnCap as at the Latest Practicable Date.

Timetable and Conditions

- It is intended that the Merger will be implemented by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although the right to effect the

Merger by way of a Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement, is reserved).

- The Merger will be made in accordance with the Takeover Code and on the terms and subject to the Conditions set out in Appendix 1 to this Announcement. In particular, the Merger is conditional on, amongst other things: (i) the approval by the FCA of the change of control in Cenkos in accordance with section 189 of the FSMA; and (ii) given the importance to each of Cenkos and finnCap of their ability to operate as Nominated Adviser to AIM companies, the requirement that each of Cenkos and finnCap maintain their status as Nominated Adviser pursuant to the AIM Rules for Nominated Advisers for the period ending on the Effective Date. Full details of the Merger will be set out in the Scheme Document.
- It is expected that the Scheme Document, containing further information about the Merger and notices of the Court Meeting and the General Meeting, together with the associated forms of proxy, will be posted to Cenkos Shareholders during April 2023 (or such later date as Cenkos, finnCap and the Panel agree) and the Meetings are expected to be held shortly thereafter.
- It is expected that the finnCap Circular will be posted to finnCap Shareholders at a similar time as the Scheme Document is posted to Cenkos Shareholders, with the finnCap General Meeting being held before the Cenkos Meetings.
- Taking into account the FCA approval timetable, the Scheme is currently expected to become Effective during the third calendar quarter of 2023, subject to the satisfaction (or, where applicable, waiver) of the Conditions and further terms set out in Appendix 1 to this Announcement. An expected timetable of key events relating to the Merger will be provided in the Scheme Document.

This summary should be read in conjunction with, and is subject to, the full text of this Announcement, including the Appendices to it. The Merger will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and to the full terms and conditions which will be set out in the Scheme Document. Appendix 2 to this Announcement contains the sources of information and bases of calculations of certain information contained in this Announcement. Appendix 3 contains a summary of the irrevocable undertakings and letters of intent received by finnCap and Cenkos in relation to this Merger. Additional information for US investors

Cenkos Shareholders in the United States should note that the Merger relates to the shares of an English company with a listing on AIM and is proposed to be effected by means of a scheme of arrangement under English law. This Announcement, the Scheme Document and certain other documents relating to the Merger have been or will be prepared in accordance with English law, the Takeover Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Merger is subject to the disclosure requirements of and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules. If, in the future, finnCap exercises the right to implement the Merger by way of a Takeover Offer and determines to extend such Takeover Offer into the United States, any such Takeover Offer will be made in compliance with applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act and the US Securities Act.

Cenkos' financial statements, and all financial information included in this Announcement, the Scheme Document or any other documents relating to the Merger, have been or will be prepared in accordance with IFRS and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

Each Cenkos Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Merger applicable to them.

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since finnCap and Cenkos are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The Merger is intended to be implemented pursuant to a scheme of arrangement under the laws of England, the New finnCap Shares to be issued as part of the Merger will be issued in reliance on the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. Cenkos will advise the Court that its sanction of the scheme of arrangement will be relied upon by finnCap and Cenkos as an approval of the scheme of arrangement following a hearing on its fairness to Cenkos Shareholders at which hearing all such shareholders are entitled to attend in person or through counsel to support or oppose the sanctioning of the scheme of arrangement and in respect of which notification has been given to all Cenkos Shareholders.

In accordance with normal UK practice and consistent with Rule 14e-5(b) of the US Exchange Act, (to the extent applicable) finnCap, certain affiliated companies and their nominees or brokers (acting as

agents) may make certain purchases of, or arrangements to purchase, shares in Cenkos outside of the United States, other than pursuant to the Merger, until the date on which the Merger and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the United States Securities and Exchange Commission nor any US state securities commission has approved or disapproved the Merger, passed upon the merits or fairness of the Merger or passed any opinion upon the accuracy, adequacy or completeness of this Announcement (nor will it do so in respect of the Scheme Document). Any representation to the contrary is a criminal offence in the United States.

Forward looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Merger, and other information published by finnCap, Cenkos, any member of the Wider finnCap Group or any member of the Wider Cenkos Group may contain statements which are, or may be deemed to be, "forward looking statements". Forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward looking statements.

The forward looking statements contained in this Announcement include statements relating to the expected effects of the Merger on finnCap, Cenkos, any member of the Wider finnCap Group or any member of the Wider Cenkos Group (including their future prospects, developments and strategies), the expected timing and scope of the Merger and other statements other than historical facts. Often, but not always, forward looking statements can be identified by the use of forward looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "intends", "cost-saving", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of finnCap's, Cenkos', any member of the Wider finnCap Group's or any member of the Wider Cenkos Group's operations and potential synergies resulting from the Merger; and (iii) the effects of global economic conditions and governmental regulation on finnCap's, Cenkos', any member of the Wider finnCap Group's or any member of the Wider Cenkos Group's business.

Although finnCap and Cenkos believe that the expectations reflected in such forward looking statements are reasonable, finnCap, Cenkos, the Wider finnCap Group and the Wider Cenkos Group

can give no assurance that such expectations will prove to be correct. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward looking statements.

These factors include, but are not limited to: the ability to complete the Merger; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which finnCap, Cenkos, the Wider finnCap Group and/or the Wider Cenkos Group operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which finnCap, Cenkos, the Wider finnCap Group and/or the Wider Cenkos Group operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither finnCap, Cenkos, the Wider finnCap Group nor the Wider Cenkos Group, nor any of their respective associates or directors, officers or advisers, provide any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this Announcement will actually occur. Given these risks and uncertainties, potential investors are cautioned not to place any reliance on these forward looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Other than in accordance with their legal or regulatory obligations, neither finnCap, Cenkos, the Wider finnCap Group nor the Wider Cenkos Group is under any obligation, and each such person expressly disclaims any intention or obligation to update or revise any forward looking statements, whether as a result of new information, future events or otherwise.

Upon sufficient acceptances being received in respect of such Takeover Offer, finnCap intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining Cenkos Shares in respect of which the offer has not been accepted.

FOR IMMEDIATE RELEASE

23 March 2023

RECOMMENDED ALL-SHARE MERGER

of

CENKOS SECURITIES PLC

and

FINNCAP GROUP PLC

**to be implemented by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The boards of finnCap Group plc ("**finnCap**") and Cenkos Securities plc ("**Cenkos**") are pleased to announce that they have reached agreement on the terms and conditions of a recommended all-share merger of finnCap and Cenkos to be implemented by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "**Merger**").

finnCap and Cenkos are two complementary businesses, established in 2007 and 2004 respectively, by founders with the entrepreneurial, ambitious and dynamic spirit that has remained with both businesses. The Cenkos Board and the finnCap Board believe that there is a compelling strategic, strong financial and cultural rationale for the Merger which will benefit the shareholders, employees, clients, commercial counterparties and stakeholders of the Combined Group.

2. The Merger

Under the terms of the Merger, which will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document, each Cenkos Shareholder will be entitled to receive:

for each Cenkos Share: 3.19420647 New finnCap Shares

Based on the Exchange Ratio and the Closing Price of 11.625 pence per finnCap Share on 22 March 2023 (being the Latest Practicable Date), the Merger values each Cenkos Share at 37.13 pence, comprising an equity value of Cenkos' entire issued ordinary share capital as at the Latest Practicable Date of approximately £21.1 million and finnCap's entire issued ordinary share capital as the Latest Practicable Date of approximately £21.1 million.

Upon completion of the Merger, Cenkos Shareholders and finnCap Shareholders will each hold approximately 50% of the entire issued ordinary share capital of finnCap, whose shares will continue to be traded on AIM.

It is intended that the Merger will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although the right to effect the Merger by way of a Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement, is reserved).

It is expected that the Scheme Document, containing further information about the Merger and notices of the Court Meeting and the General Meeting, together with the associated forms of proxy, will be posted to Cenkos Shareholders during April 2023 (or such later date as Cenkos, finnCap and the Panel agree) and the Meetings are expected to be held shortly thereafter.

It is expected that the finnCap Circular will be posted to finnCap Shareholders at a similar time as the Scheme Document is posted to Cenkos Shareholders, with the finnCap General Meeting being held before the Cenkos Meetings.

The Scheme will also need to be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies for registration, and the Scheme will become Effective upon such delivery.

Taking into account the FCA approval timetable, the Merger is currently expected to become Effective during the third calendar quarter of 2023, subject to the satisfaction (or, where applicable, waiver) of the Conditions and further terms set out in Appendix 1 to this Announcement. An expected timetable of key events relating to the Merger will be provided in the Scheme Document.

The New finnCap Shares will be issued credited as fully paid and will rank pari passu in all respects with the finnCap Shares in issue at the time the New finnCap Shares are issued pursuant to the Merger, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling after the Effective Date. Application will be made to the London Stock Exchange for the New finnCap Shares to be admitted to trading on AIM.

3. Information on Cenkos and current trading

Cenkos acts as a nominated adviser, sponsor, broker and financial adviser to a range of companies and investment funds, at all stages of their growth and across all sectors. It concentrates on companies that seek admission of their shares to trading on AIM or the Main Market of the London Stock Exchange and companies that are already quoted on those markets. It seeks long-term relationships with its clients throughout the various stages of their development, its ethos being to focus on understanding its clients' financing needs to deliver good outcomes for them.

With over 90 employees, Cenkos provides its range of services from offices in London and Edinburgh to 100 clients quoted on AIM, the Main Market or other exchanges. A particular strength of the firm is its ability to raise funds for clients and complete transactions, even in challenging markets. In 2022, Cenkos acted on the three largest AIM IPOs by new money raised and was involved in transactions raising approximately 15% of total monies raised on AIM during that period.

Current trading

Cenkos reiterates guidance and the outlook provided with its annual report on 10 March 2023.

4. Information on finnCap and current trading

finnCap is a diversified financial advisory firm offering a full range of services across M&A advice, equity and debt capital raising and related services to corporate and institutional clients and high net worth investors including private equity and family offices. It has particular strength in the technology, life sciences, consumer and business services sectors. finnCap has global reach through its affiliation with the Oaklins partnership and access to net zero and carbon economy consultancy through its partnership with Energise Limited.

finnCap acts as Nominated Adviser and/or broker for 118 retained clients. In the six months ended 30 September 2022, finnCap advised on a total of 33 transactions with an aggregate deal value of c.£740 million. In particular it:

- (i) raised c.£80 million equity through 10 public market placings (*H1 22: 14 deals; c.£250 million raised*);
- (ii) advised on 11 private M&A deals with aggregate value of c.£430 million (*H1 22: 13 deals with aggregate value of c.£1 billion*);
- (iii) advised on four public company M&A deals with an aggregate value of c.£75 million (*H1 22: four deals with aggregate value of c.£500 million*); and
- (iv) completed eight debt financing mandates raising c.£160 million (*H1 22: six deals; c.£250 million raised*).

For the year ended 31 March 2022, finnCap had total revenues of £52.5 million (*FY21: £46.6 million*) and profit before tax of £8.1 million (*FY21: £8.4 million*) and for the six months ended 30 September 2022 it had total revenue of £16.4 million (*H1 22: £31.7 million*) and recorded a loss before taxation of £2.6 million (*H1 22: profit £6.3 million*).

Current trading

finnCap expects revenue in the second half of its financial year to 31 March 2023 to be broadly similar to the first half, and revenue for the financial year to be approximately £32 million.

ECM deal fees improved in the second half over the first half, with the team closing a number of fundraising transactions despite a backdrop of muted activity levels overall. Whilst M&A activity slowed in the second half, overall revenue and activity have been good.

In the second half, finnCap has also begun to see the benefit of its cost reduction programme such that finnCap believes its fixed operating expenditure in the next financial year to 31 March 2024 (on a standalone basis) would be approximately £28 million.⁽¹⁾ Non-recurring costs will be higher in the second half reflecting the costs of an employee restructuring and professional fees related to the lapsed bid by Panmure Gordon Group Limited.

Revenue trends in ECM improved in the second half and the ECM team has a pipeline of mandates under execution, but market conditions remain challenging.

finnCap is working on a number of M&A mandates whilst continuing to build a pipeline of M&A deals. Similarly to ECM, the frequency of completions and deal timetables have been impacted in the short term by the reduced availability and pricing of financing for private equity buyers.

(1) Fixed operating expense = total fixed employee costs and non-people operating expenses. It excludes any non-recurring items, third party introductory fees and staff bonuses.

5. Background to and reasons for the Merger

The finnCap Board and the Cenkos Board believe that there is a compelling strategic, strong financial and cultural rationale for the Merger which will benefit the shareholders, employees, clients, commercial counterparties and other stakeholders of the Combined Group.

A combined business with complementary capabilities and greater scale that is well positioned for future growth and a strong client proposition

The Merger will combine the equity capital market practices of two complementary businesses. Each firm services a broad mix of corporate and institutional client constituencies in their respective equity capital market divisions. finnCap and Cenkos have very few shared corporate clients. The Merger will enhance and complement finnCap's larger client base by combining with Cenkos, an institutional stockbroker which has been involved in many of the largest fundraisings and IPOs by growth companies in recent years.

The Combined Group will have its combined client base at its heart and be focussed on providing the best possible service to them.

The Merger will give Cenkos' clients access to a wider range of services including finnCap's private M&A business Cavendish and finnCap's debt and private capital raising advisory teams which will enhance Cenkos' ability to provide strategic financial advice to its clients where it already enjoys a strong reputation for equity capital markets advice and capital raising.

This combination will therefore create a leading provider in fundraising and advisory services for quoted growth and investment companies, and together with the wider offering of finnCap across M&A, debt and private growth capital, will create a leading full-service advisory firm.

The Combined Group has over 210 retained listed or quoted clients companies across a complementary suite of sectors, and will be able to provide the combined client base with a greater depth of expertise, transactional capacity and fundraising strength, and for Cenkos' clients, a wider range of services and products.

A combined business with a through-the-cycle financial performance that will underpin shareholder returns, the resources to invest and a stable platform for growth

Both the finnCap Board and the Cenkos Board are strong believers in and supporters of the role of the public markets as a compelling source of growth capital whilst allowing their investors to achieve greater liquidity. The Combined Group will focus on delivering attractive and consistent shareholder returns through the economic cycle as detailed in the dividend policy below.

The Combined Group will have scale and greater breadth of clients, with a high level of recurring revenue and improved operating cost efficiency, which the Cenkos Board and the finnCap Board believe will allow it to perform strongly through the stock market cycle. Furthermore, the Combined Group has in excess of £20 million of combined cash on its balance sheet, which will provide both financial resilience and a platform to support the future growth of the Combined Group.

As further described in paragraph 10 below, the Cenkos Board and the finnCap Board also believe there will be areas of duplicative or inefficient spending across the Combined Group (as compared to the companies on a standalone basis) where financial savings can be made following the Effective Date which, if implemented, would have a beneficial impact on the Combined Group.

The finnCap Board and the Cenkos Board are mindful of the market challenges faced by the broking sector in recent years and that as this highly fragmented market is becoming increasingly competitive, scale is becoming increasingly important. The finnCap Board and the Cenkos Board believe that the consequent financial pressures faced by many competitors is expected to lead to consolidation in the short to medium term. The Merger will offer a stable platform from which the Combined Group can take advantage of disruption amongst competitors as this consolidation accelerates.

Shared client-centred culture with an entrepreneurial and ambitious mindset

The Combined Group will have, on a combined proforma basis, over 230 colleagues. The finnCap Board and the Cenkos Board believe there is a strong cultural alignment between two client-centric and ambitious groups, centring around collegiate respect, teamworking, dynamism and the entrepreneurialism needed to succeed and to deliver the best results for our clients.

The Merger presents a very robust platform from which to develop the Combined Group's talent pool through the sharing of best practices, revenue generating ideas and collaboration. The strengthened financial position of the Combined Group would also enable further investment in developing and recruiting the very best talent, at all levels and across divisions, to drive the Combined Group's growth.

6. Dividends

2022 Dividend

Each Cenkos Shareholder will be entitled to receive and retain the 0.5 pence cash dividend for each Cenkos Share held on the 2022 Dividend Record Date (the "**2022 Dividend**") which was announced on 10 March 2023 and is to be paid in respect of the financial year ended 31 December 2022, to Cenkos Shareholders without any reduction in their entitlements under the Exchange Ratio pursuant to the Scheme. The 2022 Dividend is due to be paid on 22 June 2023 to those Cenkos Shareholder who are on Cenkos' register of members at close of business on 26 May 2023 (the "**2022 Dividend Record Date**").

Interim Dividend

The Cenkos Board intends in due course to declare an interim dividend of 3 pence per Cenkos Share, which is intended to be formally declared after 30 June 2023 and paid before the Effective Date (the "**Interim Dividend**"). The timetable relating to the proposed Interim Dividend will be notified in due course. Holders of Cenkos Shares as at the record date for the Interim Dividend shall be entitled to receive the Interim Dividend without any reduction in their entitlements under the Exchange Ratio pursuant to the Scheme. Further information regarding the Interim Dividend will be notified in due course. Cenkos Shareholders should be aware that Cenkos reserves the right to bring forward the declaration, vary or even cancel the Interim Dividend at any time prior to its payment.

Other dividends

finnCap does not currently expect to pay a final dividend when it announces results in respect of the financial year ending 31 March 2023.

If either finnCap or Cenkos announces, declares, makes or pays any dividend or other distribution on or after the date of this Announcement and prior to the Effective Date, other than the 2022 Dividend and the Interim Dividend, there will be no change to the Exchange Ratio. Each of finnCap and Cenkos reserves the right to pay an equalising dividend to their respective shareholders should any dividend other than the 2022 Dividend or the Interim Dividend be paid by the other party.

The proposed procedure and timings for declaring and paying the dividends set out in this Announcement are indicative only and are expected to be set out in detail in the Scheme Document.

7. Recommendations

The Cenkos Directors, who have been so advised by SPARK Advisory Partners as to the financial terms of the Merger, consider the terms of the Merger to be fair and reasonable and in the best interests of the Cenkos Shareholders taken as a whole. Accordingly, the Cenkos Directors recommend unanimously that Cenkos Shareholders vote or procure votes to approve the Scheme at the Court Meeting and to vote or procure votes in favour of the Resolutions to be proposed at the General Meeting, as they have irrevocably undertaken to do (or procure to be done) in respect of their own legal and beneficial holdings, being, in aggregate, 1,587,653 Cenkos Shares representing approximately 2.80 per cent. of the issued share capital of Cenkos as at the Latest Practicable Date.

In providing their advice to the Cenkos Directors, SPARK Advisory Partners has taken into account the commercial assessments of the Cenkos Directors. SPARK Advisory Partners is providing independent financial advice to the Cenkos Directors for the purposes of Rule 3 of the Takeover Code.

In order to allot and issue the New finnCap Shares, finnCap will be required to seek the approval of the finnCap Shareholders at the finnCap General Meeting. The Merger is accordingly conditional on the approval of the finnCap Shareholders of the issuance of the New finnCap Shares at the finnCap General Meeting. The finnCap Directors consider the Merger to be in the best interests of finnCap and the finnCap Shareholders as a whole and intend unanimously to recommend that finnCap Shareholders vote in favour of the finnCap Resolution to be proposed at the finnCap General Meeting, as they have irrevocably undertaken to do (or procure to be done) in respect of their own legal and beneficial holdings of 10,168,726 finnCap Shares (and those of their close family members) representing, in aggregate, approximately 5.62 per cent. of the issued ordinary share capital of finnCap as at the Latest Practicable Date.

8. Background to and reasons for the recommendation

The Cenkos Board believes that in taking this proactive step to merge the two firms, it will create a combined group which will be a true market leader in advising growth and investment companies. The Combined Group will have the scale and diversity of operations to be a full-service advisory firm across equity, debt, and M&A serving the public and private capital markets. As standalone firms, the Cenkos Board believes it would be difficult for either of Cenkos or finnCap to achieve this breadth and scale through organic growth alone. The Merger is made possible through the shared vision, mutual respect, cultural alignment and complementary nature of the two businesses, with very little overlap between clients or sector focus.

The Cenkos Board further believes that the enlarged business of the Combined Group, with over £50 million of proforma combined revenues, in excess of £20 million of combined cash on its balance sheet and the potential cost benefits of economies of scale, provides the financial stability and business platform to drive future growth and deliver enhanced returns for its shareholders.

The terms of the Merger allow Cenkos Shareholders to participate fully in anticipated future value accretion and a potential rerating due to enhanced scale and business diversity.

9. Irrevocable undertakings and letter of intent

Cenkos Shares

As described in paragraph 7 above, finnCap and Cenkos have received irrevocable undertakings to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, in the event that the Merger is implemented by a Takeover Offer, to accept or procure acceptance of such Takeover Offer) from all of the Cenkos Directors who hold Cenkos Shares, in respect of their own legal and/or beneficial holdings which are under their control, totalling 1,587,653 Cenkos Shares (representing approximately 2.80 per cent. of the existing issued ordinary share capital of Cenkos as at the Latest Practicable Date), as well as any further Cenkos Shares of which they may become the legal or beneficial holder (as a result of

the exercise of options or vesting of awards under the Cenkos Share Plans). All of the Cenkos Directors support the Merger, as set out in paragraph 7 above.

The undertakings from Cenkos Directors will cease to be binding if: (i) finnCap announces, with the consent of the Panel, that it does not intend to proceed with the Merger and no new, revised or replacement scheme of arrangement or Takeover Offer is announced by finnCap in accordance with Rule 2.7 of the Takeover Code at the same time; (ii) the Scheme Document is not dispatched to Cenkos Shareholders within 28 days (or such longer period as may be agreed between Cenkos, finnCap and the Panel) of this Announcement; (iii) the Merger lapses or is withdrawn in accordance with its terms and no new, revised or replacement scheme of arrangement or Takeover Offer is announced by finnCap by such time; (iv) the Scheme has not become Effective by 5.00 p.m. on the Long Stop Date or such later time and date as Cenkos and finnCap may agree with the approval of the Court and/or Panel if required (other than in circumstances where finnCap has, prior to such date, elected to exercise its right to proceed by way of a Takeover Offer and announced the same in accordance with the requirements of paragraph 8 of Appendix 7 to the Takeover Code, and such Takeover Offer has not lapsed or been withdrawn); and/or (v) any competing offer for the entire issued and to be issued ordinary share capital of Cenkos is declared unconditional or, if proceeding by way of a scheme of arrangement, becomes effective. These undertakings will remain binding in the event that a higher competing offer for Cenkos is made.

In addition to the irrevocable undertakings given by the Cenkos Directors, Cenkos Shareholders Jim Durkin, Bridger Limited, Stephen Keys, Sarah Keys and Michael Johnson have given irrevocable undertakings to finnCap and Cenkos to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, in the event that the Merger is implemented by a Takeover Offer, to accept or procure acceptance of such Takeover Offer), in each case in respect of their own legal and/or beneficial holdings (or those Cenkos Shares over which they have control) of Cenkos Shares, totalling 11,492,897 Cenkos Shares (representing approximately 20.27 per cent. of the existing issued ordinary share capital of Cenkos as at the Latest Practicable Date) as well as any further Cenkos Shares of which they may become the legal and/or beneficial holder (as a result of the exercise of options or vesting of awards under the Cenkos Share Plans).

In addition, finnCap and Cenkos have received a non-binding letter of intent from Canaccord Genuity Asset Management Limited to procure votes to approve the Scheme at the Court Meeting and to procure votes in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Merger is implemented by a Takeover Offer, to procure acceptance of such Takeover Offer). This letter of intent represents 5,500,000 Cenkos Shares representing approximately 9.70 per cent. of the ordinary share capital of Cenkos in issue as at the Latest Practicable Date.

finnCap Shares

As described in paragraph 7 above, Cenkos and finnCap have received irrevocable undertakings to vote or procure votes in favour of the finnCap Resolution to be proposed at the finnCap General Meeting from all of the finnCap Directors who hold finnCap Shares, in each case in respect of their own legal and/or beneficial holdings (and those of their close family members) (or those finnCap Shares over which they have control) totalling 10,168,726 finnCap Shares (representing

approximately 5.62 per cent. of the existing issued ordinary share capital of finnCap as at the Latest Practicable Date). All of the finnCap Directors support the Merger, as set out in paragraph 7 above.

The undertakings from finnCap Directors who hold finnCap Shares will cease to be binding if: (i) finnCap announces, with the consent of the Panel, that it does not intend to proceed with the Merger and no new, revised or replacement scheme of arrangement or Takeover Offer is announced by finnCap in accordance with Rule 2.7 of the Takeover Code at the same time; (ii) the Scheme Document is not dispatched to Cenkos Shareholders within 28 days (or such longer period as may be agreed between Cenkos, finnCap and the Panel) of this Announcement; (iii) the Merger lapses or is withdrawn in accordance with its terms and no new, revised or replacement scheme of arrangement or Takeover Offer is announced by finnCap by such time; (iv) the Scheme has not become Effective by 5.00 pm on the Long Stop Date or such later time and date as Cenkos and finnCap may agree with the approval of the Court and/or Panel if required (other than in circumstances where finnCap has, prior to such date, elected to exercise its right to proceed by way of a Takeover Offer and announced the same in accordance with the requirements of paragraph 8 of Appendix 7 to the Takeover Code, and such Takeover Offer has not lapsed or been withdrawn); (v) any competing offer for the entire issued and to be issued ordinary share capital of Cenkos is declared unconditional or, if proceeding by way of a scheme of arrangement, becomes effective; and/or (vi) the finnCap Resolution is duly passed by the requisite majority of finnCap Shareholders at the finnCap General Meeting.

In addition to the irrevocable undertakings given by the finnCap Directors, finnCap Shareholders Jon Moulton, Vin Murria, Sam Smith, Lord Leigh, Mark Tubby, Peter Gray, and Rhys Williams have given irrevocable undertakings to Cenkos and finnCap to vote or procure votes in favour of the finnCap Resolution to be proposed at the finnCap General Meeting, in each case in respect of their own legal and/or beneficial holdings (or those finnCap Shares over which they have control) of finnCap Shares, totalling 83,860,205 finnCap Shares (representing approximately 46.31 per cent. of the existing issued ordinary share capital of finnCap as at the Latest Practicable Date).

In aggregate, Cenkos and finnCap have received irrevocable undertakings to vote or procure votes in favour of the finnCap Resolution to be proposed at the finnCap General Meeting in respect of 94,028,931 finnCap Shares, representing 51.92 per cent. of the issued share capital of finnCap as at the Latest Practicable Date.

Further details of these irrevocable undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this Announcement.

10. Directors, management, employees, pensions, research and development and locations

Management, directors, employees and pensions

The Combined Group will endeavour to harness the talent in both companies to optimise the benefits for clients and shareholders of the Combined Group. The finnCap Board and the Cenkos Board also recognise that the management and employees of the Combined Group are its most important assets and the success of the Combined Group in the future is attributable to their skills, knowledge and expertise, as it has been to the success of finnCap and Cenkos previously. The integration of the finnCap and Cenkos businesses will be led by key finnCap and Cenkos personnel.

The Combined Group will have a culture which is client-centric and values the relationships developed with clients by front office staff. The Boards of finnCap and Cenkos believe that employees within the equity capital markets and stockbroking functions have similar roles and can naturally be merged with limited post-integration change or disruption.

finnCap and Cenkos have had high level discussions regarding other opportunities arising from the Merger and identified, at a high level, areas of cost duplication and other inefficiencies for the Combined Group (as compared to the companies on a standalone basis). This will be explored further as part of a comprehensive review following the Effective Date. This review will consider, in particular but not limited to, the further integration of systems, operational and administrative areas of the Combined Group and, as part of this, to identify duplication or overlap in staff roles. This review will also explore other efficiencies and financial benefits of the Merger, while being mindful to ensure that the Combined Group has the appropriate systems and controls in keeping with its greater scale, regulatory requirements and with best market practice. finnCap recognises in connection with this that the Combined Group's headcount would likely reduce over a twelve-month implementation period (and the number of affected individuals could potentially, depending on the outcome of this review, be material), some of which would take place via natural attrition, and that rationalisation is particularly likely within central and support functions across the Combined Group.

Pending this review, which will only commence after the Effective Date, it is not possible to detail the steps for and extent of any rationalisation, however it is an important strategic consideration for Cenkos and finnCap to retain and reward the best talent across the Combined Group from each business, without preference or bias. This rationalisation will be subject to any required consultation with employees and/or their representatives.

Other than as set out above, finnCap and Cenkos are not planning any material change in the balance of the skills and functions of the employees and management of the Combined Group taken as a whole.

The Cenkos Board and the finnCap Board have each confirmed that the existing statutory and contractual employment rights, including accrued pension rights of all Cenkos or finnCap employees, will be fully safeguarded upon and following completion of the Merger.

Cenkos operates a defined contribution pension scheme for its employees and contributes towards a number of personal pension plans set up by its employees pursuant to the scheme. finnCap's intention for the Combined Group is to maintain current employer contributions to existing pension arrangements. Any Cenkos employees who are not participants in such scheme at the Effective Date will be entitled to join the finnCap pension plan after the Effective Date on the same basis as existing finnCap employees.

finnCap and Cenkos believe that the benefits of the Merger include the opportunity to establish new incentive and remuneration policies for existing and future employees of the Combined Group, based on existing practices, designed to reward revenue generation and financial performance as well as non-financial contributions to the success of the Combined Group. It is intended that a new employee incentive policy and plan will be adopted following the Effective Date.

The Combined Group will be led by the existing CEOs of finnCap and Cenkos as co-CEOs. Lisa Gordon will become Chair of the Combined Group Board which will comprise an equal numbers of finnCap Directors and Cenkos Directors. The remainder of the Combined Group Board will comprise Ben Procter (CFO), Richard Snow (COO), Robert Lister (senior independent non-executive director) and an expected two further independent non-executive directors to be agreed, one of whom will be nominated by each of Cenkos and finnCap. Individual appointments to the Combined Group Board will be subject to the approval of the FCA.

An executive committee with day to day operational responsibility for the Combined Group (including during the implementation period taking particular responsibility for overseeing integration), reporting to the Combined Group Board, will be constituted comprising of the co-CEOs of the Combined Group, the CFO, COO, Jeremy Osler and Geoff Nash. Separate management committees will be established following the Effective Date for each of the Combined Group's principal operating divisions.

Incentivisation Arrangements

finnCap and Cenkos have not entered into, and have not discussed any form of incentivisation arrangements with members of Cenkos' management team. Following the Effective Date, the Combined Group may put in place incentive arrangements, including for certain members of the Cenkos management team and/or the continuing Cenkos Directors.

As set out above, it is intended that a new employee equity incentive plan will be adopted for the Combined Group following the Effective Date following further consultation with the management of Cenkos.

Name, headquarters and locations

The finnCap Board and the Cenkos Board are highly respectful of the value and heritage attaching to their respective names and brands amongst their clients, counterparties and employees. The Merger presents an opportunity for the Combined Group to establish its own identity and, following the Effective Date, it is intended that a working group will further consider a rebranding of the Combined Group. In the meantime, the Combined Group will be known as Cenkos finnCap Group plc, its equity capital markets business will be branded Cenkos finnCap, and its M&A division as Cavendish.

The Combined Group will be headquartered at the current existing registered office of finnCap being 1 Bartholomew Close, London EC1A 7BL with all Cenkos' operations transferring to that address at an appropriate time following the Effective Date. No change is intended with regard to Cenkos' existing office in Edinburgh.

Business, assets, research and development

Neither finnCap nor Cenkos has any material research or development function nor do they intend to create such functions. It is intended that the fixed assets of Cenkos located at its headquarters in London will be transferred together with the combination of operations at finnCap's London office, as described above.

Trading Facilities

finnCap and Cenkos are both currently traded on AIM and, as explained in paragraph 16 below, finnCap and Cenkos intend to make a request to the London Stock Exchange to cancel trading of the Cenkos Shares on AIM, with effect from and shortly following the Effective Date. Cenkos will be re-registered as a private company following the Effective Date.

Statements

None of the statements in this paragraph 10 is a "post-offer undertaking" for the purposes of Rule 19.5 of the Takeover Code.

11. Cenkos Share Plans

Participants in the Cenkos Share Plans will be contacted regarding the effect of the Merger on their rights under the Cenkos Share Plans and, where required, an appropriate offer or proposal will be made to such participants which reflects their rights under the Cenkos Share Plans in due course.

Details of any offer or proposal will be set out in the Scheme Document and in separate letters to be sent to participants in the Cenkos Share Plans. Further Details of the impact of the Scheme on each of the Cenkos Share Plans will be set out in the Scheme Document.

The finnCap Board and the Cenkos Board believe the Merger will create a strong platform for value creation for all stakeholders.

Prior to completion of the Merger, the Remuneration Committee of Cenkos proposes to grant, on a basis which is materially consistent with past Cenkos policy and practice of granting discretionary bonus and equity incentive awards to employees, new awards under the Cenkos Securities Short Term Incentive Plan (the "**STIP**") over a total of up to 6,800,000 Cenkos Shares which are currently held as unallocated shares in the Cenkos employee benefit trust (the "**New STIP Awards**"). The New STIP Awards shall not vest in full on the completion of the Merger but shall be rolled over into finnCap Shares and will continue to vest in accordance with their original terms. SPARK Advisory Partners, in its capacity as independent financial adviser to the Cenkos Directors for the purposes of Rule 3 of the Takeover Code, considers the proposed New STIP Awards to be fair and reasonable and in the best interests of the Cenkos Shareholders taken as a whole.

12. Offer-related arrangements

Confidentiality Agreement

On 24 January 2023, Cenkos and finnCap entered into a mutual confidentiality agreement in relation to the Merger (the "**Confidentiality Agreement**"), pursuant to which, amongst other things, each of finnCap and Cenkos gave certain undertakings to keep, and to procure that certain of their respective representatives keep, confidential information relating to the other party and/or to the Merger confidential, to use such information solely for the agreed purpose in relation to the Merger

and not to disclose it to third parties (subject to certain exceptions). These confidentiality obligations will remain in force until 24 January 2025.

The Confidentiality Agreement also contains undertakings from each of finnCap and Cenkos that, for a period of 12 months from the date of the Confidentiality Agreement, they shall not, without the prior written consent of the counterparty, approach certain employees or officers of the counterparty nor employ or otherwise engage certain employees or visit or inspect any of the counterparty's premises.

Each of finnCap and Cenkos has also agreed to customary standstill arrangements pursuant to which they agree not to, without the prior written consent of the counterparty, for a period of 12 months from the date of the Confidentiality Agreement acquire Cenkos Shares or any interest in Cenkos Shares (in the case of finnCap) or finnCap Shares or any interest in finnCap Shares (in the case of Cenkos). These restrictions fall away immediately following the making of this Announcement.

Co-operation Agreement

On 23 March 2023, finnCap and Cenkos entered into a co-operation agreement in relation to the Merger (the "**Co-operation Agreement**"), pursuant to which, amongst other things: (i) Cenkos and finnCap have agreed to co-operate to ensure the satisfaction of certain regulatory conditions, and finnCap has entered into certain commitments in relation to obtaining regulatory clearances; (ii) finnCap has agreed to provide Cenkos with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document; (iii) finnCap has agreed to certain provisions if the Scheme should switch to a Takeover Offer; and (iv) each of Cenkos and finnCap has agreed to take certain actions to implement certain proposals in relation to the Cenkos Share Plans.

The Co-operation Agreement will terminate if: (i) the parties agree in writing prior to the Effective Date that it shall be terminated; or (ii) amongst other things: (a) the Merger is withdrawn or lapses; (b) (at finnCap's election) prior to the Long Stop Date any Condition becomes incapable of satisfaction; (c) (at finnCap's election) the Cenkos Directors withdraw their recommendation of the Merger; (d) (at finnCap's election) the Cenkos Directors recommend or intend to recommend a competing proposal; (e) (at either party's election) a competing proposal completes, becomes effective or is declared unconditional; or (f) the Scheme does not become Effective in accordance with its terms by the Long Stop Date.

13. Structure of the Merger

It is intended that the Merger will be implemented by means of a Court-sanctioned scheme of arrangement between Cenkos and Scheme Shareholders under Part 26 of the Companies Act (although the right to effect the Merger by way of a Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement, is reserved).

The purpose of the Scheme is to provide for finnCap to become the holder of the entire issued and to be issued ordinary share capital of Cenkos. This is to be achieved by the transfer of the Cenkos Shares (other than any Excluded Shares) to finnCap, in consideration for which the Cenkos Shareholders will receive the New finnCap Shares on the basis set out in paragraph 2 above.

The Merger is subject to the Conditions and further terms referred to in Appendix 1 to this Announcement and to the full terms and conditions to be set out in the Scheme Document, and will only become Effective if, among other things, the following events occur on or before the Long Stop Date:

- (i) a resolution to approve the Scheme is passed by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders;
- (ii) the Resolutions required to implement the Scheme being duly passed by Cenkos Shareholders at the General Meeting representing at least 75 per cent. of the votes validly cast on such Resolutions, either in person or by proxy;
- (iii) following the Court Meeting and the General Meeting, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by finnCap and Cenkos); and
- (iv) following such sanction, a copy of the Court Order is delivered to the Registrar of Companies.

The Scheme will lapse if, amongst other things:

- (i) the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such Meetings, which will be set out in the Scheme Document (or such later date as may be agreed between finnCap and Cenkos, with the consent of the Panel and, if required, the Court);
- (ii) the Sanction Hearing to approve the Scheme is not held on or before the 22nd day after the expected date of such hearing, which will be set out in the Scheme Document (or such later date as may be agreed between finnCap and Cenkos, with the consent of the Panel and, if required, the Court); or
- (iii) the Scheme does not become Effective on or before the Long Stop Date,

provided, however, that the deadlines for the Court Meeting, the General Meeting and the Sanction Hearing as set out above may be waived by finnCap and the deadline for the Scheme to become Effective may be extended by agreement between Cenkos and finnCap, with the consent of the Panel and, if required, the Court.

Once the necessary approvals from Cenkos Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived and the Scheme has been approved by the Court, the Scheme will become Effective upon delivery of the Court Order to the Registrar of Companies. Subject to the satisfaction (or, where applicable, waiver) of the Conditions and the further terms set out in Appendix 1, the Scheme is expected to become Effective during the third calendar quarter of 2023.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) entitlements to Cenkos Shares held within the CREST system will be cancelled and such entitlements rematerialised; and (iii) share certificates in respect of Cenkos Shares will cease to be valid. The New finnCap Shares will be allotted and issued to Cenkos Shareholders no later than 14 days after the Effective Date.

Any Cenkos Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolutions to be proposed at the General Meeting will, amongst other matters, provide that the Articles be amended to incorporate provisions requiring any Cenkos Shares issued after the Scheme Record Time (other than to finnCap and/or its nominees) to be automatically transferred to finnCap and, where applicable, for New finnCap Shares to be issued as consideration to the transferee or to the original recipient of the Cenkos Shares so transferred or issued on the same terms as the Merger (other than terms as to timings and formalities). The provisions of the Articles (as amended) will avoid any person (other than finnCap and its nominees) holding shares in the capital of Cenkos after the Effective Date.

The right to elect to implement the Merger by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent and the terms of the Co-operation Agreement), is reserved. In such event, the Merger will be implemented on the same terms (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition which, unless otherwise agreed in writing between finnCap and Cenkos or otherwise required by the Panel, will be set at 90 per cent. (or such lesser percentage as may be agreed between Cenkos and finnCap in writing after, to the extent necessary, consultation with the Panel, being in any case more than 75 per cent. of the voting rights attaching to the Cenkos Shares) of the shares to which the Merger relates and those required by, or deemed appropriate by, finnCap under applicable law, so far as applicable) as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Cenkos Shares are otherwise acquired, it is the intention of finnCap to apply the provisions of the Companies Act to acquire compulsorily any outstanding Cenkos Shares to which such Takeover Offer relates.

Further details of the Scheme, including expected times and dates for each of the Court Meeting, the General Meeting and the Sanction Hearing, together with notices of the Meetings and with the associated forms of proxy, will be set out in the Scheme Document, which will be posted to Cenkos Shareholders within 28 days of this Announcement (or such later date as Cenkos, finnCap and the Panel agree) and the Meetings are expected to be held shortly after posting. The General Meeting is expected to be held immediately after the Court Meeting.

The Scheme will be governed by the laws of England and will be subject to the jurisdiction of the courts of England and Wales. The Scheme will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the AIM Rules, the FCA and the Registrar of Companies.

finnCap Shareholder Approval

In order to allot and issue the New finnCap Shares, finnCap will be required to seek the approval of the finnCap Shareholders at the finnCap General Meeting. finnCap will prepare and send the finnCap

Circular to finnCap Shareholders, which will include a notice convening the finnCap General Meeting. The Merger is conditional on, among other things, the finnCap Resolution being passed by the requisite majority of finnCap Shareholders at the finnCap General Meeting. It is expected that the finnCap Circular will be posted to finnCap Shareholders at the same time as the Scheme Document is posted to Cenkos Shareholders, during April 2023.

Indicative Timing

The timing of implementation of the Merger will be dependent upon a number of factors including availability of the Court and receipt of regulatory approvals. However, subject to these factors, it is expected that the posting of the Scheme Document and the finnCap Circular will occur during April 2023 and that the Scheme will become effective during the third calendar quarter of 2023.

14. Conditions to the Merger

Appendix 1 to this Announcement sets out the Conditions and further terms to which the Merger will be subject, including (i) the approval by the FCA of the change of control in Cenkos in accordance with section 189 of the FSMA; and (ii) given the importance to each of Cenkos and finnCap of their ability to operate as Nominated Adviser to AIM companies, the requirement that each of Cenkos and finnCap maintain their status as Nominated Adviser pursuant to the AIM Rules for Nominated Advisers for the period ending on the Effective Date.

15. Admission of New finnCap Shares

Application will be made to the London Stock Exchange for the New finnCap Shares to be admitted to trading on AIM. It is expected that Admission will become effective and that dealings for normal settlement in the New finnCap Shares will commence on AIM at 8.00 am on the first Business Day following the Effective Date.

16. Cancellation of trading of Cenkos Shares on AIM and re-registration

Before the Scheme becomes Effective, it is intended that applications will be made to the London Stock Exchange for the cancellation of trading of the Cenkos Shares on AIM, with effect from or shortly following the Effective Date. The last day of dealings in, and registration of transfers of, Cenkos Shares on AIM is expected to be the Business Day immediately prior to the Effective Date.

On the Effective Date, share certificates in respect of Cenkos Shares will cease to be valid and entitlements to Cenkos Shares held within the CREST system will be cancelled. Cenkos Shareholders shall be required to return share certificates to Cenkos or destroy them following the Effective Date.

It is also proposed that, following the Effective Date and after its shares are delisted, Cenkos will be re-registered as a private limited company under the relevant provisions of the Companies Act.

17. Disclosure of Interests in Cenkos securities

As at the Latest Practicable Date, save for the irrevocable undertakings referred to in paragraph 9 above, neither finnCap, nor any of its directors, nor, so far as finnCap is aware, any person acting in concert (within the meaning of the Takeover Code) with any of them for the purposes of the Merger had:

- (i) any interest in or right to subscribe for any relevant securities of Cenkos;
- (ii) any short positions in respect of relevant securities of Cenkos (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- (iii) borrowed or lent any relevant securities of Cenkos (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed relevant securities of Cenkos which had been either on-lent or sold; and/or
- (iv) entered into any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

"**interests in securities**" for these purposes and within the meaning of the Takeover Code arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). Notwithstanding the above, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

If any such deadline is not met, finnCap shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Cenkos to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of Conditions 8 to 14 (inclusive) of Part A above (only so far as such Conditions relate to Cenkos, the Wider Cenkos Group or any part thereof).
3. Notwithstanding paragraph 1 of this Part B, subject to the requirements of the Panel and the Takeover Code, Cenkos reserves the right in its sole discretion to waive:
 - (a) the deadline set out in Condition 3 of Part A above. If such deadline is not met, Cenkos shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition or agreed with finnCap to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of the Conditions 8 to 14 (inclusive) of Part A above (only so far as such Conditions relate to finnCap, the Wider finnCap Group or any part thereof):
4. Save as set out in paragraphs 2 and 3 in this Part B, the Conditions in paragraphs 1 to 3 in Part A above cannot be waived.
5. Neither Cenkos nor finnCap shall be under any obligation to waive or treat as satisfied any of the Conditions that it is entitled (with the consent of the Panel and subject to the requirements of the Takeover Code) to invoke, by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
6. If finnCap is required by the Panel to make an offer for Cenkos Shares under the provisions of Rule 9 of the Takeover Code, finnCap may make such alterations to any of the above

Conditions and terms of the Merger as are necessary to comply with the provisions of that Rule.

7. Under Rule 13.5(a) of the Takeover Code, finnCap may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code so as to cause the Merger not to proceed, to lapse or to be withdrawn with the consent of the Panel.
8. Under Rule 13.6(a) of the Takeover Code, Cenkos may only invoke a Condition that is subject to Rule 13.6(a) of the Takeover Code so as to cause the Merger not to proceed, to lapse or to be withdrawn with the consent of the Panel.
9. The Panel will normally only give its consent to the invocation of Conditions pursuant to paragraphs 7 and 8 if the circumstances which give rise to the right to invoke the Condition are of material significance to finnCap or Cenkos (as applicable) in the context of the Merger. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise. Conditions 1, 2(a), 2(b) and 2(c) of Part A above and, if applicable, any acceptance condition if the Merger is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.
10. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by finnCap.
11. Fractions of New finnCap Shares will not be allotted or issued to persons accepting the Scheme.
12. The New finnCap Shares to be issued pursuant to the Merger have not been and will not be registered under the United States Securities Act of 1933 (as amended) nor under any of the relevant securities laws of any Restricted Jurisdiction. Accordingly, the New finnCap Shares may not be offered, sold or delivered, directly or indirectly, into any Restricted Jurisdiction, except pursuant to exemptions from applicable requirements of any such jurisdiction.
13. The New finnCap Shares will be issued credited as fully paid and will rank pari passu in all respects with finnCap Shares in issue at the time that the New finnCap Shares are issued pursuant to the Merger, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling on or after the Effective Date. An application will be made to the London Stock Exchange for the New finnCap Shares to be admitted to trading on AIM.
14. finnCap reserves the right to elect to implement the Merger by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent and the terms of the Co-operation Agreement). In such event, the Merger will be implemented on the same terms (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition which, unless otherwise agreed in writing between finnCap and Cenkos or otherwise required by the Panel, will be set at 90 per cent. (or such lesser percentage as may be agreed between finnCap and Cenkos in writing after, to the extent necessary, consultation with the Panel, being in any case more than 75 per cent. of the

voting rights attaching to Cenkos Shares) of shares to which the Merger relates and those required by, or deemed appropriate by, finnCap under applicable law, so far as applicable) as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Cenkos Shares are otherwise acquired, it is the intention of finnCap to apply the provisions of the Companies Act to acquire compulsorily any outstanding Cenkos Shares to which such Takeover Offer relates.

- 15.** The Cenkos Shares to be acquired pursuant to the Merger will be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of value (whether by reduction of share capital or share premium account or otherwise) made, on or after the Effective Date other than in respect of the 2022 Dividend and the Interim Dividend.
- 16.** If either finnCap or Cenkos announces, declares, makes or pays any dividend or other distribution on or after the date of this Announcement and prior to the Effective Date, including each of the 2022 Dividend and the Interim Dividend, there will be no change to the Exchange Ratio. Each of finnCap and Cenkos reserves the right to pay an equalising dividend to their respective shareholders should any dividend other than the 2022 Dividend or the Interim Dividend be paid by the other party.
- 17.** The availability of New finnCap Shares pursuant to the Merger to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Any person who is subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
- 18.** The Merger is not being made or implemented, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.
- 19.** The Scheme will be governed by the laws of England and will be subject to the jurisdiction of the courts of England and Wales and to the Conditions and further terms set out in this Appendix 1. The Scheme will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the AIM Rules, the FCA and the Registrar of Companies.

The equity value of Cenkos' entire issued and to be issued ordinary share capital has been calculated on the basis of 56,694,783 Cenkos Shares, being the number of Cenkos Shares in issue as at the Latest Practicable Date, and references in this Announcement to the "entire issued and to be issued ordinary share capital of Cenkos" are each based on such number of Cenkos Shares.
3. As at the Latest Practicable Date, 12,219,978 Cenkos Shares are held by Cenkos Securities EBT and the Cenkos Employee Benefit Trust which are expected to be used to satisfy the exercise of options and vesting of awards under the Cenkos Share Plans.

9. The enlarged issued ordinary share capital of the Combined Group (being 362,189,687 finnCap Shares) has been calculated on the basis of:

- (a) 181,094,844 finnCap Shares (as referred to in paragraph 5 above); and
- (b) 181,094,843 New finnCap Shares which would be issued under the terms of the Merger,

and references in this Announcement to the "entire issued ordinary share capital of the Combined Group" are each based on such number of finnCap Shares including for the purposes of calculating the aggregate holdings of Cenkos Shareholders in the entire issued ordinary share capital of the Combined Group following completion of the Merger as described in paragraph 10 below.

- 10.** The percentage of the enlarged issued ordinary share capital of the Combined Group that will be owned by Cenkos Shareholders following completion of the Merger is calculated by dividing the number of New finnCap Shares to be issued pursuant to the terms of the Merger referred to in paragraph 9 by the enlarged issued share capital of the Combined Group (as set out in paragraph 9 above) and multiplying the resulting amount by 100 to produce a percentage.
- 11.** The percentage of the enlarged issued ordinary share capital of the Combined Group that will be owned by the existing finnCap Shareholders following completion of the Merger is calculated by dividing the number that is equal to the enlarged issued share capital of the Combined Group (as set out in paragraph 5 above) less the New finnCap Shares to be issued pursuant to the terms of the Merger by the enlarged issued share capital of the Combined Group and multiplying the resulting amount by 100 to produce a percentage.
